

An extraordinary address?

An exceptional and ONE-of-a-kind investment. Here's a sampling of the top ten rewards awaiting investors and those fortunate enough to call One The Waterfront their home.

1 Amazing onsite facilities

ONE The Waterfront's resort atmosphere brings together nature, architecture, elegant interiors and a social network of recreational facilities including a lagoon pool, indoor lap pool, gym and tennis courts all in one extraordinary address.

2 One Design Vision

Combining the talents from award winning teams, Stanisic Architects, Turner for Interior Design and Sturt Noble for Landscape design, ONE The Waterfront's cutting-edge design raises the bar on contemporary residential living.

3 A Vibrant Location

Enjoy countless entertainment options with over 5,000 yearly events at Sydney Olympic Park, from festivals to international sports. UrbnSurf's new wave park provides a range of lagoon-side amenities, such as a café, rooftop bar, beach club, pro-shop, cabanas, skate ramps, playground, rock-climbing, and more.

4 Transport Access

With regular bus services, the ferry wharf at the end of the street and Rhodes Train Station a short walk across the new footbridge, ONE The Waterfront is exceptionally well connected. The free Baylink Shuttle service provides connections every 10-15 minutes to 11 different locations including Rhodes Train Station.

5 Oxygen For A Healthy, Active Lifestyle

Australia's largest urban parklands are on your doorstep featuring recreational areas, wetlands, waterways, 35kms of bike paths, walking trails and playgrounds.

6 Convenient Upmarket Retail & Dining

Live adjacent to the European ambience of The Piazza, stroll to nearby Pierside or Marina Square for upmarket lifestyle retail, alfresco dining, winebars and supermarkets including Coles and IGA.

7 Smart Entry

Experience the pinnacle of security and convenience with cutting-edge smart lock technology enhancing your new front door.

8 A Bright Future

Planned infrastructure for Wentworth Point include a proposed marina and light rail. Recently opened facilities include a primary school, childcare centre, retail centre and waterfront promenade.
